

THE SCENE AI Classroom Copy (every lesson, paste-ready)

Voice rule: members already paid. Director language everywhere. Selling

copy exists ONLY on the locked World Builder tile and WORK WITH ME.

Every lesson ends with a "That's a wrap - mark complete when..." line - ticks feed the progress bars, progress bars feed retention.

Files: [scene-os/pdfs/](#) and [scene-os/products/](#).

SECTION 1 • START HERE (all members)

Lesson 1 • Day one on set

Attach: your 2-minute phone video

Paste:

You're the director now. This is your studio.

Your first 24 hours: 1. Watch this. 2. Open "Cast your lead" and build your character - him or her. 3. Post your intro in  Start Here: who you are + who you're building.

 That's a wrap - mark complete when your intro is posted.

Lesson 2 • Cast your lead

Attach: [The-SCENE-AI_Cast-Your-Lead_Members-Edition.pdf](#)

(the ONLY live Starter - the free funnel edition is retired)

Paste:

Every world starts with one face.

Open the Starter, tap the assistant, and talk. It interviews you and builds your character in front of you - him or her. When they're standing there looking real, save that photo. That's your MASTER. Their ID card, forever.

 That's a wrap - mark complete when your MASTER is saved to your phone.

Lesson 3 • Your drop schedule

No attachment. Paste:

On the 1st of every month a new drop lands in MONTHLY DROPS: 30 scenes, 10 looks, and one Master Scene filled out and ready to shoot. One scene a day is a month of episodes. You never write from a blank page again.

 That's a wrap - mark complete when you've opened Drop 001.

SECTION 2 • BUILD YOUR CHARACTER (all members)

Section description:

In order, top to bottom. By the end of this shelf your lead is cast, locked, and on screen.

Lesson 1 • The Map

Attach (two files, map first): **The Creator OS Map.pdf** +

The Road Map.pdf

Paste:

The whole system on one road. Four zones, one unlock, one loop.

First time: follow the whole road, top to bottom. Every episode after: jump straight to the tool that solves your next problem. The second file is the deep road map - same system, more detail.

 That's a wrap - mark complete when you know which zone you're in today.

Lesson 2 • Module 01 – Character First

Attach: **01_The-SCENE-AI_Module-01_Character-First.pdf**

Paste:

Why every viral AI page you've seen built the character BEFORE touching the camera - and how to make the one decision most people skip. This is the foundation everything else stands on.

 That's a wrap - mark complete when you've written your character's one-line identity.

Lesson 3 • Module 02 – The Prompt Pack

Attach: **02_The-SCENE-AI_Module-02_The-Prompt-Pack.pdf**

Paste:

The MASTER prompt and the DNA batches – copy, paste, fill the [BRACKETS]. By the end of this module your character has a face that never changes and a full set of reference photos.

 That's a wrap – mark complete when your MASTER + DNA batch are generated and saved.

Lesson 4 • Module 03 – The SCENE Method

Attach: [03_The-SCENE-AI_Module-03_The-SCENE-Method.pdf](#)

Paste:

How to direct your first episode: the scene, the camera, the moment. This is where your character stops being a photo and starts being a SHOW.

 That's a wrap – mark complete when your first episode is posted. Tag #THESCENEAI.

Lesson 5 • Module 04 – The SCENE Library

Attach: [04_The-SCENE-AI_Module-04_The-SCENE-Library.pdf](#)

Paste:

120 story ideas, organized so you can pull tomorrow's episode in thirty seconds. Between this and the monthly drops, "what do I post" is never your problem again.

 That's a wrap – mark complete when you've picked your next 5 episodes.

Lesson 6 • The Hook Vault

Attach: [15_The-SCENE-AI_Bonus-01_Hook-Vault.pdf](#)

Paste:

150 hooks that stop the scroll in the first second. Pick one, put it in the first line of your caption or the first frame of your scene.

 That's a wrap – mark complete when you've saved your 10 favorites.

SECTION 3 • THE WORLD BUILDER (locked – \$97)

Tile description (this one SELLS – it's a closed door):

Everything that stops face drift, fake-looking AI, and Part 2 not matching Part 1. Styling systems for him and her. The camera. The realism pass. The Prompt Vault. When your character is born and you're ready to build the world – this opens. \$97 once, right here in the app.

Inside (owner voice – they paid): the shelf CONTINUES – no repeats.

Every member already owns 01-04 on the open shelf; the World Builder picks up at Module 05 and runs to the end. One system, no gaps, no duplicates, ticks never reset. File prefixes match module numbers.

Lesson	Attach	Paste
Module 05A – Her Outfit Pack	file 05	"210 looks, broken down piece by piece. Your character gets a closet."
Module 05B – His Outfit Pack	file 06	"His wardrobe system – built, not borrowed."
Module 06A – Her Hair Pack	file 07	"Culturally accurate. Baby hairs, lace, texture – the details that read REAL."
Module 06B – His Hair + Grooming	file 08	"Cuts, lineups, beards – locked so they never drift."
Module 07 – The Reference Blueprint	file 09	"Every reference photo gets ONE job. This is the system behind the system."
Module 08 – The Continuity System	file 10	"Part 2 starts one second after Part 1 ended. Here's how."
Module 09 – The Camera Bible	file 11	"Direct the camera like a filmmaker. Phone footage, not renders."
Module 10 – The Realism Check	file 12	"The pass that kills plastic skin, wrong hands, and AI tells."
Module 11 – The Prompt Vault	file 13	"Every prompt in the system + the Director's Master Template."
Module 12 – Viral Story Blueprint	file 14	"Episodes into arcs. Arcs into a world people can't unfollow."
The Caption Vault	file 16	"Captions that sell the scene without sounding like ads."
The Comment Blueprint	file 17	"The 3 pinned comments under every episode – your quiet salesforce."
The SCENE Files	file 18	"The competitor teardowns and episode files. Study the game tape."
SCENE Studio	scene-studio.html	"The tool that writes your prompts. Download, open in your browser, works offline."

Every lesson: "📺 That's a wrap – mark complete when you've run it once."

🌀 SECTION 4 • MONTHLY DROPS (all members)

Lesson 1 • Drop 001 – The Vacation Heat Drop

Attach: **THE-SCENE-AI_Drop-001_The-Vacation-Heat-Drop.pdf**

Paste:

This month's shoot: 30 scenes, 10 looks, one Master Scene filled out and ready. Upload your MASTER, fill the [BRACKETS], copy, paste, post. Roll.

Member mission: post ONE scene from this drop in 🎬 Episodes with #THESCENEAI. Best episode gets broken down in next month's drop.

🎬 That's a wrap – mark complete when your first drop scene is posted.

🎬 SECTION 5 • WORK WITH ME (all members – this page sells)

One text lesson, no attachment. Sold by INVOICE – the DM is the only

CTA. Paste:

Don't want to build? I'm an AI Creative Director. I build worlds for people who'd rather run them.

CHARACTER, DELIVERED – \$297. You talk, I build. Your locked character, styled for your niche, first episode ready to post. Delivered in 7 days.

THE EPISODE PACK – \$697. A month of episodes, directed by me. Four ready-to-run episodes with captions and pinned comments. You just generate and post.

THE PREMIERE – \$997. Your character, born and launched. Built, styled, six episodes directed, comment funnel set up. Everything my system does, done for you, in 14 days.

DM me BUILT to start. I'll ask three questions and send your invoice.

🏆 THE RANK WALL (level tiles)

Level 1 • EXTRA (all members)

🎬 Everyone starts as an Extra. Points come from LIKES other members give your posts. 5 likes = Day Player, and the prizes get bigger from there – scroll the wall. Fastest first points: post your intro in 🎬 Start Here.

🎬 That's a wrap – mark complete when your intro is up.

Level 2 • DAY PLAYER "Your first credit"

You're on the call sheet. Three hooks from the vault – shoot something with one this week:

1. "The bill arrives already paid." 2. "A stranger waves like they already know each other." 3. "A car waits with the character's name on the sign."

FIRST-POST CHECKLIST: MASTER saved Scene picked, [BRACKETS] filled Generated Caption written 3 pinned comments ready Posted + #THESCENEAI

🎬 That's a wrap – mark complete when the checklist is done once.

Level 3 • SUPPORTING

Attach: **The-SCENE-AI_Identity-Lock-Mini-Pack.pdf**

Your character earned a bigger world. 20 identity-locked scenes – 10 for her, 10 for him. Run one today.

Level 4 • CO-STAR 5 bonus scenes

Five scenes that exist nowhere else in the system: 1. The valet hands over keys to a car the character didn't drive there. 2. A table for two is set. The second chair is still empty when the food arrives. 3. The boutique closes early – for a private appointment under the character's name. 4. A stranger returns something the character lost years ago. 5. The rooftop is silent until the elevator doors open behind them.

Fill the [BRACKETS] like any drop scene. These are Co-Star exclusives – members below this level never see them.

Level 5 • LEAD

You made LEAD. Post your best episode in 📺 Episodes, tag me, and write "LEAD BREAKDOWN" in the first line. I'll break it down personally – what's working, what to fix, how to make Part 2.

Level 6 • SHOWRUNNER 5 bonus looks

Five looks, exclusive to Showrunners. Drop each into your outfit reference: HER 1: Champagne silk slip dress, gold strappy heels, thin gold chain, hair swept behind one ear. HER 2: Oversized cream blazer over black bodysuit, gold hoops, sleek low bun, nude heels. HER 3: Emerald satin co-ord – cropped top and maxi skirt, gold cuffs, soft glam. HIM 1: Black silk shirt half-buttoned, tailored ivory trousers, leather loafers, silver watch. HIM 2: Charcoal double-breasted suit, no tie, black tee under, clean white sneakers.

Level 7 • DIRECTOR

The chair is yours. 50% off any one-time package – CHARACTER DELIVERED, THE EPISODE PACK, or THE PREMIERE. One use, never expires. DM me DIRECTOR to claim.

Level 8 • PRODUCER

You built this place with us. FREE lifetime membership – your \$9 stops, your seat stays forever. DM me PRODUCER to activate.

Level 9 • STUDIO HEAD

The crown. The full World Builder unlocks for you, free – every styling system, the camera, the vault, the Studio. DM me STUDIO HEAD and I'll open the door.
