How to use this pack

Write your story first. Then pick the look. Fill in the details in brackets. Paste the look into Reference 2 - Outfit / Grooming in the Reference Blueprint. Keep the same face and body. The clothes must fit the character, not change the character.

BODY LOCK

Fill in the true body type: [BODY TYPE: slim / lean / athletic / muscular / stocky / broad-shouldered / big and tall / plus size / dad build / natural build / tall / short]. Never use clothing words to make the character look thinner, taller, curvier or more muscular than the identity reference.
