

THE SCENE AI / CREATOR OS

BONUS 03

# COMMENT BLUEPRINT

Use the comment section as a second caption, conversation and conversion layer.

CREATE THE CHARACTER. DIRECT THE SCENE. BUILD THE WORLD.

CREATE CINEMATIC CONTENT.  
BUILD YOUR DIGITAL WORLD.

## The three pinned comments

| PIN | PURPOSE      | EXAMPLE                                                                         |
|-----|--------------|---------------------------------------------------------------------------------|
| 1   | Easy opinion | Be honest, would you take the drink or send it back?                            |
| 2   | Story debate | Smooth or doing too much?                                                       |
| 3   | Lead capture | New to AI? Comment SCENE and I'll send the information when The SCENE AI drops. |

## Reply formulas

| COMMENT TYPE          | REPLY                                                                        |
|-----------------------|------------------------------------------------------------------------------|
| "Make me one"         | I got you 😊 I'm about to start showing people how.                           |
| "Is this AI?"         | Yes 🤖 but the goal is for you to follow the story before you study the tool. |
| "Who is the man?"     | Y'all really want the character reveal that bad? 😏                           |
| Negative / dismissive | And yet you stopped to comment 🤖                                             |
| Brand praise          | Now imagine your product inside a whole storyline.                           |
| Beginner question     | That is exactly who The SCENE AI is being built for.                         |

## | Sanitation / education Reel set

- › I'mma be real, we are not playing with people's eyes.
- › What is one thing your first training skipped?
- › A client may return one more time, but believe me, she is already looking for somebody else.
- › Clean hands. Clean tools. Clean space. Before we even talk about the result.
